Online bingo players love to see the words 'Free Bingo' and who can resist a free bingo room? We can't!

What Are Free Bingo Rooms?

The majority of bingo sites will offer a free bingo room or two alongside their regular rooms. This gives their valued members the chance to play bingo even when they don't have funds in their account to do so. Sometimes new players get access to a free bingo room for a few days after registering just to get them used to the site and encourage them to make a deposit and play for real. But usually the full-time free bingo rooms are only available if you are a funded player so you have to have made a deposit in order to get in.

Free Bingo For Newbies

One of the sites that offer a dedicated free bingo room just for Newbies is [Mecca Bingo](#). Members sign up for an account then hit 'Play Bingo Now' – easy! The Newbie room is open between 6pm and 8pm every day for 7 days and offers £20 jackpots. Panda Bingo also gives their newbies 48 hours of free bingo worth up to £120 and Sky Bingo offer £2500 worth of free bingo jackpots over the course of 5 days in the Sky Newbie Room; opening hours are 3pm until 9pm so you're bound to catch a game or 2 each. [Barbados Bingo](#) is another bingo site that's cottoned onto the free bingo for newbies trend though they don't offer anywhere near as much jackpot wise as Sky Bingo. Register there and you'll get 2 days of free bingo games worth up to £120 between 2pm and 6pm on both of the days. Another site sporting a Newbie room is [Gala Bingo](#). They allow new members 5 days access to free bingo games between 12pm and 2pm and 7pm and 9pm. You can win £20 in bonus funds in each game so although it's not real cash, you can still use the bonus to play real bingo games on site. You will find most sites that offer free bingo rooms have set opening hours for the room and smaller jackpots but their still good fun and you get the chance to win something for nothing and you can't say fairer than that. Regular free bingo rooms can sometimes be heaving with players so the chances of you winning that elusive £20 can be slim.
